

The Healer

Verse 1

Oh how I wish I could say that you'd wake tomorrow
And find all your troubles have gone
Oh how so many have prayed that you'd wake to sunrise
To find that your healing has come
Oh, we pray for you
Oh, one thing is true
He is making all things new
The Healer will delight to heal you

Verse 2

Jesus has promised
In this life we will have trouble
But take heart! He has overcome!
We know He's coming
One day there will be no more sorrow
We long for new Jerusalem, when
Oh, we will see
Oh, there will be

Chorus

No more pain
No more tears
No more worry, no sickness, no fears
He will hold us close
In His loving arms
He will wipe every tear and heal every scar
He is making all things new
The Healer will delight to heal you

Bridge

The healing could come now
Or it could come at heaven's gate
But we'll be on our knees
and we'll pray
Though there's pain in the darkness
Joy comes in the morning!
Oh, what a glorious day!
When, hallelujah, we can say!

Repeat chorus
